

## Innovative Linens Packages

Packaging is an easier way for our customers to budget. When using packages, we cannot quote individual prices because we have **reduced** some prices, **averaged** some prices, and **added some items** simply to add value to our valued customers. If your guest count is larger than 256, please ask for a personalized package; we're happy to accomodate you! Generally, package pricing is for in-stock items, but we can gladly give quotes for special orders (please make an appointment for a consultation for this service). Additionally, we are always happy to provide a la carte pricing if our customers prefer. These package prices posted July, 2017, and are subject to change without notice.
